North Hampton School Board
Goals for the 2017-2018 Academic Year
RESPONDING TO THE PRESENT, PREPARING FOR THE FUTURE

- Goal 1:** The School Board will hire an experienced principal to lead the North Hampton School. Through a collaborative process and with input from stakeholders including parents and staff, identify the attributes and traits desired in our school leader. Be uncompromising in our selection.
- Goal 2:** The School Board will work with NHS administration to evaluate the schools current shared decision-making process. Evaluations will include teacher, parent, and community inputs and will focus on validation, efficiencies, and best practices, to continually identify and evaluate the needs of the community while working to implement a process that the school can adopt which is collaboration, informed, inclusive and results focused. What is in the best interest of all students will guide this process.
- Goal 3:** The School Board will work with NHS administration to adopt a culture of open, timely and respectful communication within the North Hampton School community (staff, students, administration, board, parents, and the greater North Hampton community) in order to promote trust, understanding and public advocacy. Specifically, the School Board will:
- Establish a representative team of parents, staff and community to work with the new principal and administration to develop a communications plan based on needs analysis and survey results.
 - Work to adopt a culture that promotes productive, positive communication.
- Goal 4:** The School Board will work with NHS administration to provide a quality afterschool enrichment program that engages students in fun activities that create a desire to learn while extending their knowledge of what is taught during the school day. To provide skilled and caring instructors and volunteers who support standards-based academics and the civic, creative, social, physical and emotional development of students.
- Goal 5:** The School Board will work with the NHS Administration to develop a schedule for organizing and presenting Grade Level and UA curriculum guides to the school board, and to better document and communicate to parents and students the curriculum roadmap of North Hampton School.

NORTH HAMPTON SCHOOL BOARD
VISITOR ORIENTATION TO MEETINGS

Welcome to this evening's Board meeting. The Board recognizes the value of public comment on educational issues and the importance of involving members of the public at its meetings. If you wish to be heard by the Board, please note "Questions and Comments From Those in Attendance" at the beginning of the agenda (reverse side). The Comments section of the agenda may not exceed fifteen (15) minutes unless extended by vote of the Board. Occasionally, the Board may 'suspend its rules' to allow visitor participation at the time an issue of specific interest is being addressed.

Visitors should not expect a Board response to their comments or questions under the above since the Board may not have discussed or taken a position on the matter. The Superintendent or designee, without speaking for the Board, may offer clarification as appropriate. When the Board has taken a position, the Chair may state the Board's position. Speakers may offer opinions of school operations or programs but the Board will not hear complaints about school personnel or students in public session.

The North Hampton School Board normally meets in regular session on the third Thursday of the month with special meetings when necessary.

The School Board appreciates your attendance this evening and invites your continued interest in its work on behalf of the children and residents of the District.
